Institutional Affiliations

- University of Florida, Gainesville, Florida, United States.
- Qom University of Technology, Qom, Iran.
- IAUKHSH, Isfahan, Iran.

Disclosure Note

This PDF is a readable companion summary prepared from the CV and application materials available locally. NSF normally requires the Collaborators and Other Affiliations information to be prepared using the NSF COA spreadsheet template and uploaded as the Research.gov single-copy COA document. Before final submission, the official COA template should be reviewed to ensure all categories, dates, co-authors within the required lookback window, collaborators, and organizational affiliations are complete.
